Lullaby

When I was a young man I used to seek pleasure.
When I was a young man I used to drink ale.
Out of the alehouse and into the jailhouse,
My body is ruined and I'm bound to die.

Remember when I used to sing this to you at bedtime?

Lullaby

When I was a young man I used to drink
When I was a young man I used to drink
out of the alcohols and the calumet
my belly is filled and I am full

Remember when I used to sing this to you at bedtime

Lullaby

When I was a young man I used to drink aleas
When I was a young man I used to drink aleas
out of the alehouse and the alehouse
My belly is full and my stomach is full

Remember when I was a young man I used to drink aleas
